Unnatural Causes: Is Inequality Making Us Sick?
Beginning October 19

An additional adult educational opportunity program sponsored by the Health Ministry Team will utilize portions of the video "Unnatural Causes," which originally aired on PBS, and a discussion of the issues presented. These sessions will be held on the 1st and 3rd Sundays starting October 19th through December 7th from 9:45-10:45 in Katy's office. "Unnatural Causes" sounds the alarm about the extent of our alarming socio-economic and racial inequities in health-and searches for their root causes. This series and its companion materials help reframe the national debate over health and links our individual aspirations for better health not only to medical interventions but to social and economic justice.

Lee Whiston's Book Group

This intellectual, lively group meets at 7pm on the 3rd Friday of every month in the small conference room at Laclede Groves.

Eden's Life Institute

Eden Seminary, along with both local conferences, offers the Lay Institute of Faith Exploration. LIFE retreats take place five times a year on the Eden campus and provide lay persons with a more comprehensive way to explore their faith. This fall, retreats will be offered September 19-20 and November 7-8. You can learn more by visiting Eden's website.
